Performance & Instrumental Music Program

There is music in every child.

NCC's Performance & Instrumental Music Program has a culture of musical excellence, teamwork and support offering a range of highly skilled professional tutors and quality teaching facilities.

At NCC, students from Year 1 to Year 12 have the opportunity to perform with award-winning bands, choirs and ensembles participating in regular overseas tours, eisteddfods and public performances. Contact us today for a tour of our facilities or for further information.

"Since 2016, our family has been participating in Nambour Christian College's Performance and Instrumental Music Program, which has provided our three daughters with an incredible opportunity to explore various instruments, bands, and ensembles. This program was one of the deciding factors in our decision to enrol our children at the school. NCC is fortunate to have a team of dedicated and talented educators who accompany the students on their musical journey. Through music, students are encouraged to express their creativity while also developing resilience and confidence as part of a larger group of musicians. The Eisteddfod is just one example of the many performance opportunities available to students."

Thank you for your generous support of the 2023 Sunshine Coast Junior Eisteddfod.

The Sunshine Coast Junior Eisteddfod Committee would like to welcome you to our 2023 eisteddfod and thank you for your support over the past few years as we settle back from the Covid restricted events.

To assist with being Covid safe please stay at home if unwell.

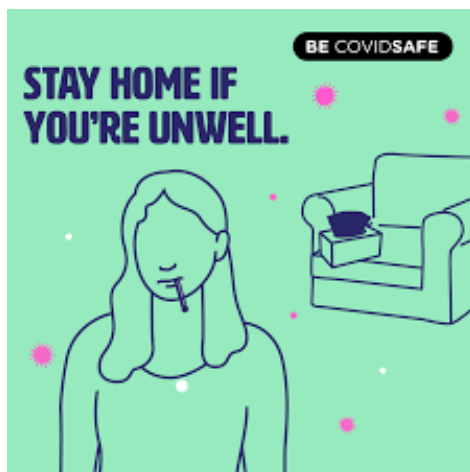

Please check carefully for names and item / competitor / session numbers. These must be correctly added to the own choice music uploads to create the accurate label for your music file.

Pre purchased tickets via the link on our website under the admission tab is preferred.

Our Eisteddfod would not be possible without the many volunteers who assist in all areas. We ask that you be kind, show respect to and thank these wonderful people.

Once again, we are pleased to be able to offer students of the Sunshine Coast a supportive performance environment and hope you all enjoy your Sunshine Coast Junior Eisteddfod experience.

Kind regards
Jenny Thomas
(President)

LARGE ENSEMBLE SECTION

Alexandra Khafagi - Orchestra

Alexandra is currently the Director of Performing Arts at St Joseph's Nudgee College, a role she relishes due to the opportunities to be involved in many and varied activities that allow boys to achieve balance in their lives.

Alex also conducts the String Ensemble and Philharmonia Orchestra and teaches double bass at the Young Conservatorium. This role has allowed her to participate in the State Honours Ensemble Program (SHEP) both in Brisbane and regional Queensland.

Although Alex graduated with a degree in the double bass, she plays and teaches many instruments, conducts and accompanies a range of ensembles, and teaches classroom music.

She is delighted to add the Sunshine Coast Eisteddfod to those she has adjudicated, which also include the Queensland Catholic Colleges Music Festival and the Brisbane Eisteddfod.

John Saunders – Band

John Saunders was born into a musical family, being given Piano instruction from his father Jack, from about age 3. John saw the light at about age 9 and started playing Brass, also taught by his father.

John found himself most comfortable behind a Euphonium, being named NSW Euphonium Champion 8 times and was National Champion in 1986 and 1988. He was also winner of the prestigious Ern Keller Competition, for Australian and New Zealand brass players in 1998. John gained his A.Mus.A and L.Mus.A on Euphonium in the late 1990's.

John became a full-time member of the NSW Police Band in 1988. The NSW Police Band is a 30 piece professional Concert Band based in Sydney. He was privileged to be named Director of Music of the band in 2005, a position he holds to this day.

On Euphonium and Baritone John has been a member of every Australia Brass and National Australia Brass course since 1995.

John was a founder member of the Warringah Concert Brass, formed by his father Jack, in 1979, becoming Musical Director in 1999. This position gives John a chance to mentor many amateur musicians, of all standards, a responsibility he finds very important and rewarding.

John maintains his brass teaching across a wide range of ages and abilities. He has also recently expanded his activities into the world of adjudicating, having adjudicated at the Western Australian State Band and Solo Championships and The City of Sydney Eisteddfod Brass Solo and School Band sections.

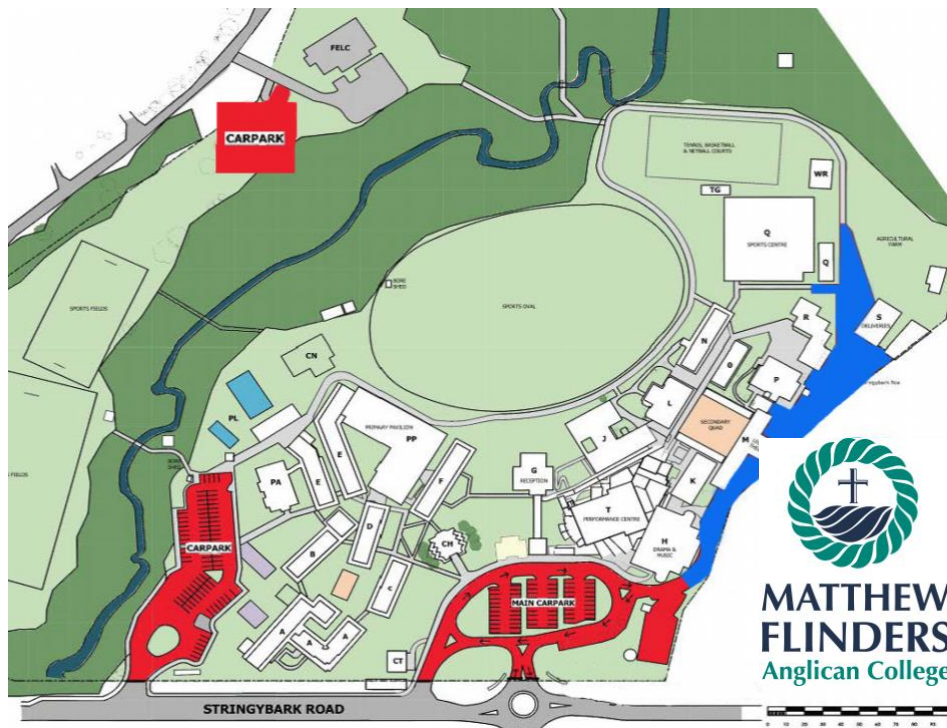

Ireni Utley - Choir

Ireni Utley is a Masters graduate of the Queensland Conservatorium in Opera Performance and Vocal Pedagogy. She has sung many principal roles with Victorian Opera and in Opera Queensland's Chorus, nationally and internationally with Sirens of Song and Musica Viva, and as soloist in numerous oratorio and sacred works in and around Brisbane.

Ireni has been teaching for 20 years, including time at St Laurence's College, Brisbane Girls Grammar School, St Stephens Cathedral, and the Queensland Conservatorium of Music. She has also adjudicated Eisteddfoddau and competitions in Brisbane, the Sunshine Coast, Ipswich, and run performance masterclasses at several schools around Brisbane.

COOLUM STATE HIGH SCHOOL

ALPHA

ACADEMIC LEARNING PROGRAM FOR HIGH ACHIEVERS

At Coolum SHS, the **Academic Learning Program for High Achievers (ALPHA)** focuses on creating a safe, and supportive environment for nurturing a diverse range of **academically minded students**, who are university bound.

ALPHA classes are designed to **enrich students** through a series of learning opportunities in and outside of the classroom, such as **excursions** and **academic competitions**. Additionally, like minded students are provided an environment where learners are working effectively in **teams**, handling challenging situations constructively and developing **leadership skills** to build and enhance skills of self-regulation.

During learning experiences, ALPHA encourages students to **build critical thought processes** and **apply new knowledge** to other areas, by responding to real world issues and participating in community-based projects.
