Performance & Instrumental Music Program

There is music in every child.

NCC's Performance & Instrumental Music Program has a culture of musical excellence, teamwork and support offering a range of highly skilled professional tutors and quality teaching facilities.

At NCC, students from Year 1 to Year 12 have the opportunity to perform with award-winning bands, choirs and ensembles participating in regular overseas tours, eisteddfods and public performances. Contact us today for a tour of our facilities or for further information.

"We have been involved in the Performance and Instrumental Music Program at Nambour Christian College since 2016 with all three of our children. It has been such an amazing opportunity for our three daughters to be immersed in the different instruments, band and ensemble groups that NCC has to offer and was one of the many reasons we chose for our children to attend the school.

At NCC we are blessed to have a passionate and talented team of educators to embark on the musical journey with the students. Students are given the opportunity to explore their creativity through music while learning resilience and gaining confidence by being part of a larger group of musicians and through performance opportunities like the Eisteddfod."

Thank you for your generous support of the 2022 Sunshine Coast Junior Eisteddfod.

The Sunshine Coast Junior Eisteddfod Committee would like to welcome you to our 2022 eisteddfod and thank you for your support over the past two years during our Covid restricted events.

To assist with being Covid safe please stay at home if unwell.

Please check carefully for names. Items have been combined due to performer numbers.

Pre purchased tickets via the link on our website under the admission tab is preferred.

Our Eisteddfod would not be possible without the many volunteers who assist in all areas. We ask that you be kind, show respect to and thank these wonderful people.

Once again, we are pleased to be able to offer students of the Sunshine Coast a supportive performance environment and hope you all enjoy your Sunshine Coast Junior Eisteddfod experience.

Kind regards

VOCAL SECTION

Sandra Milliken

Sandra is based in Brisbane, Australia, where she works as a composer, arranger, conductor, teacher and adjudicator. Born into a musical family, Sandra learnt the piano from an early age and later undertook studies in voice and flute. A graduate of the University of New England, Sandra also has a Masters in choral conducting from the University of Queensland. She holds performance qualifications from Trinity College London and the Australian Music Examinations Board, and has her own music practice, specialising in voice and piano.

Sandra has had a long involvement with choral music. She is currently the music director of the Bayside Divas, a women's choir based in the Brisbane suburb of Sandgate. From 1995 to 2008, Sandra was on the staff of Queensland Youth Choir, conducting several of their ensembles and in 2006 was appointed the QYC Artistic Director. In 2007 she took up the position of Conductor of the much-awarded Blackstone-Ipswich Cambrian Choir where she remained until Easter of 2016. She then went on to direct the Sunshine Coast Oriana Choir until April 2018.

During 2001 Sandra travelled overseas on a Churchill Fellowship studying choral conducting and vocal/choral pedagogy. She visited 56 choirs in England, Sweden, Finland, the United States and Canada, working with and observing many international choral experts.

Sandra has achieved international recognition as an Australian composer specialising in choral music. Her compositions demonstrate a strong Australian influence that reflects her interests in indigenous languages, eclectic influences and texts by contemporary Australian writers. Her works have a fresh melodic and harmonic approach, which translates well to her preferred vocal medium. More recently, she has begun publishing some of her choral music arrangements and original instrumental music compositions through Sheet Music Press.

Sandra has an avid interest in, and commitment to, promoting Australian choral music through her choral workshops and international invitations. As an adjudicator and music educator, Sandra has travelled extensively within Australia and internationally to China, Canada, the United States, England, and Finland.
