Performance & Instrumental Music Program

There is music in every child.

NCC's Performance & Instrumental Music Program has a culture of musical excellence, teamwork and support offering a range of highly skilled professional tutors and quality teaching facilities.

At NCC, students from Year 1 to Year 12 have the opportunity to perform with award-winning bands, choirs and ensembles participating in regular overseas tours, eisteddfods and public performances. Contact us today for a tour of our facilities or for further information.

"Since 2016, our family has been participating in Nambour Christian College's Performance and Instrumental Music Program, which has provided our three daughters with an incredible opportunity to explore various instruments, bands, and ensembles. This program was one of the deciding factors in our decision to enrol our children at the school. NCC is fortunate to have a team of dedicated and talented educators who accompany the students on their musical journey. Through music, students are encouraged to express their creativity while also developing resilience and confidence as part of a larger group of musicians. The Eisteddfod is just one example of the many performance opportunities available to students."

Thank you for your generous support of the 2023 Sunshine Coast Junior Eisteddfod.

The Sunshine Coast Junior Eisteddfod Committee would like to welcome you to our 2023 eisteddfod and thank you for your support over the past few years as we settle back from the Covid restricted events.

To assist with being Covid safe please stay at home if unwell.

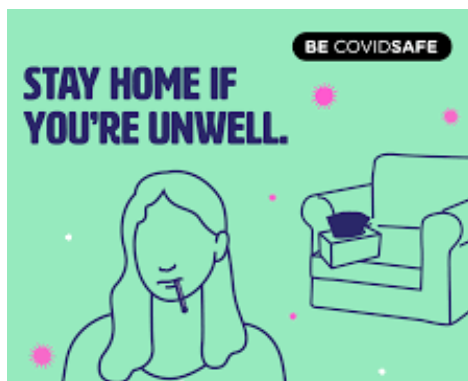

Please check carefully for names and item / competitor / session numbers. These must be correctly added to the own choice music uploads to create the accurate label for your music file.

Pre purchased tickets via the link on our website under the admission tab is preferred.

Our Eisteddfod would not be possible without the many volunteers who assist in all areas. We ask that you be kind, show respect to and thank these wonderful people.

Once again, we are pleased to be able to offer students of the Sunshine Coast a supportive performance environment and hope you all enjoy your Sunshine Coast Junior Eisteddfod experience.

Kind regards
Jenny Thomas
(President)

STRINGS SECTION

Ben Adkins

Ben Adkins is a Strings pedagogue who has educated and guided young musicians across Brisbane to fuel their passion for music. With over 15 years of experience in the industry, he has directed the Strings programs at Clairvaux Mackillop College, Loreto College and Mt Maria College. Towards the end of Term 3 2022, Ben stepped into the full-time instrumental Strings role at St Laurence's College in South Brisbane, where he works with the multitude of String Orchestras, as well as conducting the College Symphony Orchestra, with students ranging from years 5-12.

He graduated from the Griffith Conservatorium with a Bachelor of Music majoring in violin performance and completed his Master of Secondary Teaching with Central Queensland University; however, he enjoys teaching instrumental music more than the classroom side. A violinist and pianist by trade with a love for ensemble directing, Ben also has an irrevocable passion for composition, often arranging video game, anime or movie/tv soundtracks for his ensembles. He has also adjudicated for various Talent Quests, Fundraiser performances, and Battle of the Bands competitions over the years, not to mention the Large String Ensemble section for the Sunshine Coast Junior Eisteddfod last year.

Having performed and conducted both domestically and internationally, Ben strives to instill all young musicians with the same passion for music he has.

COOLUM STATE HIGH SCHOOL

ALPHA

ACADEMIC LEARNING PROGRAM FOR HIGH ACHIEVERS

At Coolum SHS, the **Academic Learning Program for High Achievers (ALPHA)** focuses on creating a safe, and supportive environment for nurturing a diverse range of **academically minded students**, who are university bound.

ALPHA classes are designed to **enrich students** through a series of learning opportunities in and outside of the classroom, such as **excursions** and **academic competitions**. Additionally, like minded students are provided an environment where learners are working effectively in **teams**, handling challenging situations constructively and developing **leadership skills** to build and enhance skills of self-regulation.

During learning experiences, ALPHA encourages students to **build critical thought processes** and **apply new knowledge** to other areas, by responding to real world issues and participating in community-based projects.

<https://coolumshs.eq.edu.au/enrolments>

Through a culture of excellence, learners develop their ability to be innovators, entrepreneurs and responsible global citizens with future university pathways.”
Lisa Fowler,
Deputy Principal
