Performance & Instrumental Music Program

There is music in every child.

NCC's Performance & Instrumental Music Program has a culture of musical excellence, teamwork and support offering a range of highly skilled professional tutors and quality teaching facilities.

At NCC, students from Year 1 to Year 12 have the opportunity to perform with award-winning bands, choirs and ensembles participating in regular overseas tours, eisteddfods and public performances. Contact us today for a tour of our facilities or for further information.

"Since 2016, our family has been participating in Nambour Christian College's Performance and Instrumental Music Program, which has provided our three daughters with an incredible opportunity to explore various instruments, bands, and ensembles. This program was one of the deciding factors in our decision to enrol our children at the school. NCC is fortunate to have a team of dedicated and talented educators who accompany the students on their musical journey. Through music, students are encouraged to express their creativity while also developing resilience and confidence as part of a larger group of musicians. The Eisteddfod is just one example of the many performance opportunities available to students."

Thank you for your generous support of the 2023 Sunshine Coast Junior Eisteddfod.

The Sunshine Coast Junior Eisteddfod Committee would like to welcome you to our 2023 eisteddfod and thank you for your support over the past few years as we settle back from the Covid restricted events.

To assist with being Covid safe please stay at home if unwell.

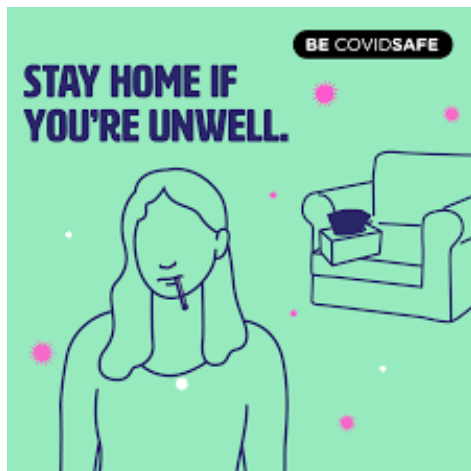

Please check carefully for names and item / competitor / session numbers. These must be correctly added to the own choice music uploads to create the accurate label for your music file.

Pre purchased tickets via the link on our website under the admission tab is preferred.

Our Eisteddfod would not be possible without the many volunteers who assist in all areas. We ask that you be kind, show respect to and thank these wonderful people.
